

Fotheringham Bakery is damaged by fire

Prompt action by the Fenelon Falls Fire Department augmented by the Bobcaygeon and Lindsay Fire Departments saved the

downtown area of Fenelon Falls on May 23 from what one fireman said could have been a serious fire.

A local resident noticed smoke coming from Fotheringham's Bakery and promptly notified the fire department.

Fotheringham's Bakery is owned by Robert Fotheringham, former warden of Haliburton County and at present is the reeve of the Township of Glamorgan.

Fortunately the fire was confined mainly to the wrapping and finishing room of the bakery, although the front and back part of the shop sustained a fair amount of fire, smoke and water damage.

Four other buildings close to the bakery also suffered some smoke damage.

Sports Day disappointing

The Municipality of Dysart et als Home-coming and Sports Day Picnic scheduled for the Arena Grounds in Haliburton on Sunday turned out to be quite a disappointment for those who bothered to attend.

The only events that got off the ground were the races for boys and girls and the amateur contest in the arena auditorium.

Rain that fell throughout the afternoon certainly didn't help matters out any but it would appear to us that it was very poorly organized and that it was done on short notice with very little advertising.

One of the events that really did go over big was the amateur contest which was under the guidance of Harold Bannon. The arena auditorium was packed to capacity for most of the afternoon as the large crowd seemed to really enjoy the country and western music supplied by local talent.

An idea might be to put it on at a later date and get all the organizations in town behind it. It is too big a job for one or two groups.

Sewage work starts

Work started last week on the construction of the sewage treatment plant in Haliburton. The plant is being built on the location between the High School and the white bridge on the entrance into Haliburton. The treatment plant is being constructed in conjunction with the sanitary sewage system which is at present being installed in the village.

Van hit by airplane in Glamorgan

Ontario Provincial Police at Minden report a somewhat unique accident which occurred Sunday evening, May 19, at approximately 8:35 p.m.

The incident reportedly took place following a display of fireworks on a private lot in Glamorgan Township when William Cooper of Haliburton was making a take-off in his Laker 4 amphibious aircraft.

Police report that a wheel of the plane apparently dropped into a rut on take-off causing the plane's right wing to dip and come into collision with a van owned by Clifford Stoughton of Gooderham. The pilot fortunately kept the plane airborne and landed on McCrae Lake about six miles from the scene of the accident.

Damage is estimated at \$1,000 to the right wing of the plane and about \$100 to the Stoughton van.

Almost 1,000 people attend Haliburton County Day

Haliburton County had its day at Ontario Place on Saturday and without a doubt it had to be the highlight of this our centennial year.

Close to 1000 people from this grand old county were in Toronto for the big show and they weren't disappointed as everyone came home satisfied that they had a very enjoyable day. For many it was their first view of Ontario's showplace and everyone from the county mingled together in a very friendly fashion.

It was also like home-coming day and it seemed that everyone, no matter what part of Ontario they now reside in, who has had connections in Haliburton County turned up at Ontario Place to meet their friends

and neighbors from the north. It took twenty bus loads to transport the people to Toronto.

One of the main attractions was Cinesphere the domed theatre which holds 800 people. You had to line up and wait, but it was well worth the effort to see the two movies that were on.

The most popular spot had to be the Forum where the talent from Haliburton County were on stage to perform in front of hundreds of people. Before leaving for Toronto we asked ourself the question "Just how good or how poor is the local talent we have?"

After going down with an open mind we came home with the opinion that we will stack up our talent from Haliburton County with any other from any county in the

province of Ontario. They were really good. We sat there justly proud of our Glee Club, Centennial choir, Archie Stouffer School Band, Haliburton Legion Pipe band and all of the other outstanding groups which took part throughout the day. And let us not forget Master of Ceremonies, Art Ward who did a professional job in introducing the various groups.

One of the highlights came at 6.00 p.m. with the Haliburton County Centennial Ceremonies. What a thrill it was to see this spectacle. The Haliburton Legion Pipe Band opened the ceremonies when they paraded from the tunnel that leads on to the giant Forum floor followed by the Haliburton Centennial Choir, Archie Stouffer Band and

then the County Council and the dignitaries which included Bill Scott, M.P. Glen Hodgson M.P.P.S Ted Gardiner, Larry Perrott, Bill Gliddon, Ron Barr, Mrs. Wynn Lahay.

The entire affair was a great success and much credit for its success should go to Larry Perrott, secretary manager, Chamber of Commerce, Art Ward of the C. of C. and Gary Agnew and his hardworking centennial committee.

The above group who came under heavy criticism at times during the organization of this day are to be congratulated on the way they pushed ahead at times fighting the odds to give us a day that will long be remembered by the people of Haliburton County.

Talent contest attracts 300

More than 300 people attended the amateur contest held in the Community arena May 26.

The contest started at 3 p.m. and closed at 5.45 p.m. This program was sponsored by the Community Centres board as part of Sports Day Picnic

Harold Bannon member of the Community Centres board and Councillor for Ward I was in charge of the Program and M.C.

Harold told the Press he was really grateful for the talent he had signed up and the way the Community came out in strength to make it a success:

First Prize for singing went to Leisa Teatro.

Second prize for singing went to Heather Gostlin.

Third prize for singing went to Steve Wright.

First prize for Instrumental to Alf McColl.

Second prize for Instrumental to Oscar Stewart.

Third prize for Instrumental to Jack Neville.

These six top prizes of \$60.00 were sponsored jointly by Murray Fairey, Deputy Reeve of Dysart and Warden for the County of Haliburton, and Harold Bannon Councillor Dysart Ward I.

All other contestants entering were awarded a silver dollar, donated by the Community Centres Board.

The judges were Arnold Fairey, Bob Muscow, and Walter Morrison, who did an excellent job.

Senior Softball

Hartwicke makes impressive debut

By Cliff Burke

The Stedman Raiders appear to have come up with the find of the last five years in the Inter-County Senior Softball league.

Rick Hartwicke made his debut on the mound for the Raiders in their season opener on Monday evening against the West Guilford Redmen and pitched an easy four-hitter, in romping to a 13-1 victory.

After giving up a run in the first inning on two hits and a pair of walks, Hartwicke settled down and allowed only two scratch singles the rest of the way. He also fanned six Redmen.

Rick didn't stop here. In five appearances at the plate, he came up with two doubles and a single, scored three times and knocked in four runs.

Bob Austin, returning after a year's absence also collected four RBI's, while playing coach Neil Burk accounted for three more.

Hartwicke (1-0) picked up the victory while Wade Stamp (0-1) suffered the loss, giving up eight runs on eight hits and a walk. Craig Stamp then came on in relief in the seventh with one out and gave up five runs on five hits and four walks.

"BOB AUSTIN COLLECTS 9 RBI'S"

The Stedman Raiders made it 2 for 2 on Thursday evening in Haliburton with a 15-7 victory over the Midgets.

Bob Austin went on a hitting rampage in this game, with a three run homer, a double and two singles, accounting for nine of the Raiders fifteen runs. Cliff Burke also had a good night going five for six at the plate and scoring five times.

Top performers for the Haliburton Midgets were Barry Shaw four for six, Paul McCrea and Greg Bishop each four for five and two runs batted in.

Numerous errors were

the major downfall of this young team but with more games under their belts they will be tough in the stretch.

Pud Hamilton (0-1) went all the way for the Raiders, while Barry Shaw (0-1) suffered the loss and Tim Bain came on in the seventh in relief.

In other games played this week, the Dominion Hotel Shufflers used the long ball to defeat last year's defending champions Haliburton Huskies, 12-2.

Murray McGuines and Larry Kent each had three run blasts, Dave Trepanier had a two-run shot and solos went to Jack Snell and Bob Penfold.

Jack Snell (1-0) tossed an eight-hitter in picking up the victory while Mark Schell (0-1) suffered the loss.

The West Guilford Redmen rebounded from a 13-1 shellacking by Stedmans to smash Gooderham 10-4 and 27-6.

Craig Stamp (1-0) earned the win in the first game with Bob Kane (0-1) taking the loss. Wade Stamp (1-1) got the victory in the second with Vince Billings (0-1) suffering the loss.

In the second game played in West Guilford Sunday, George Nichols slammed a three-run homer while Craig Stamp and Floyd Henry each had two run shots.

Track & field

On Thursday, May 23, the Haliburton Senior Secondary track and field team

travelled to Cobourg to take part in the Kawartha District Track and Field Trials.

In this meet the first four finishers earned the right to compete in C.O.S.S.A. Track and Field Championships held this year in Napanee.

Haliburton did extremely well in these trials, finishing second only, to Lakefield. Last year Haliburton was third, so there has been a steady improvement in the Haliburton track and field program and much of this improvement has to be credited to the fine work of Haliburton's track and field coach, Bob Colliver. Final standings in the A competition are as follows; 1. Lakefield, 140; 2. Haliburton, 124; 3. Fenelon Falls, 95; 4. St. Peters, 65; 5. Trinity College, 55; 6. Campbellford, 44; 7. Millbrook, 40; 8. Norwood, 30; 9. Bancroft, 7.

The following fifteen students will be representing the Haliburton Senior Secondary at C.O.S.S.A. this week in Napanee. Their results at Cobourg are listed below.

Midget Girls, Long Jump, Jackie Gough, 2nd, 14'7".

Man pinned by loader

Minden OPP this morning report that Noel Griffin, 42, of Haliburton was fortunate to escape death when seriously injured at approximately 12 noon Wednesday, May 22, as a result of being pinned under the front-end loader he was operating at the time.

Police state that Griffin was driving the 1956 Hough front-end loader southbound on Red Stone Lake Road about 14 miles north of Haliburton when the left hydraulic steering hose blew causing the vehicle to go out of control.

Investigating officer Constable Mike Hickey reports that the vehicle crossed the road and rolled on top of Griffin in a 25 foot deep culvert. The mishap resulted in the crushing of both Griffin's legs and also caused some back injury. Constable Hickey stated that Griffin's hard had had been split from the weight of the machine.

Editorials

We must set sights on the future

Centennial year for the Provisional County of Haliburton is nearing the midway mark and so far we have had many successful events and are looking forward to the many activities to come.

As we look at this Haliburton County's 100th birthday we cannot help but think of the many hardships that our forefathers had to contend with from 1874 up to shall we say until the 1940's. Since that time up until 1974 great progress in many fields and in our standard of living has improved and great progress has been made.

It is always nice to look back into the past but we must all realize that we must stop worrying of what happened in the past one

hundred years and set our sights on the future.

People always talk of the good old days, but were they really that good. For many who lived through it including a depression they would like to forget all about it.

In this year of 1974 times are good but we are still kicking about high taxes, high food costs etc, but through it all we think that you will have to agree that everyone is fairly well off and in other words have we ever had it so good.

As we look to the future of Haliburton County we cannot be content to lay back and say that as far as progress is concerned we

have gone as far as we can go. No this is wrong and we still must make many more progressive moves here if Haliburton County is to rate as one of the best in Ontario. Progress lies ahead so let's be part of it.

Don't stand in small boats

In view of what happens to families in suffering etc on drownings in this area we thought that the following information would be interesting to everyone.

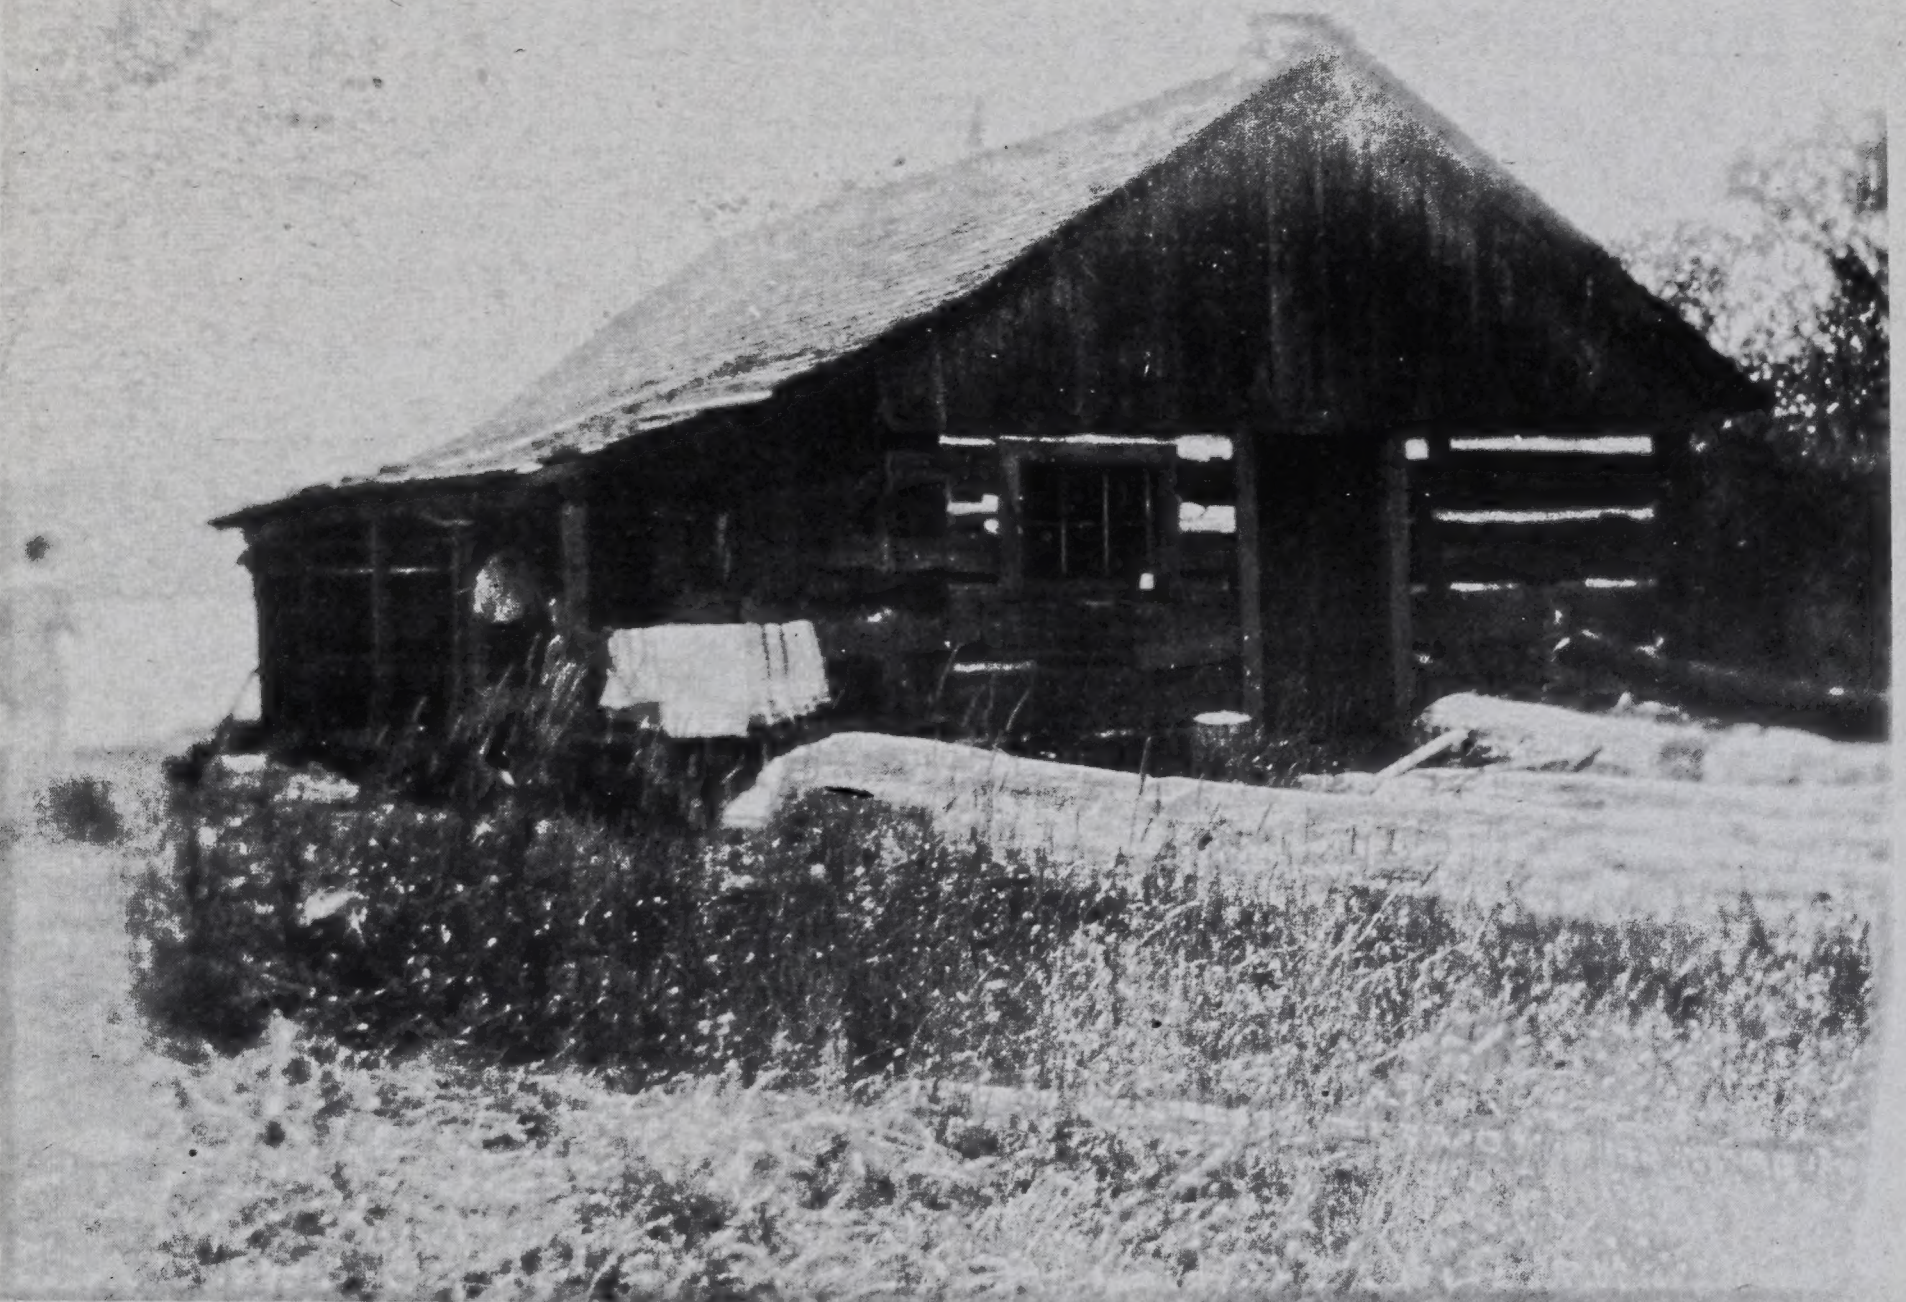

One of our popular outdoor programs on Canadian television repeatedly shows colorful scenes of fishermen and guides standing up in small, light boats confidently casting and landing their catch.

These tactics seem to be safe for professional film makers and fishing guides as they survive to make their appearances on the TV screen week after week. But the Ontario Safety League claims that it is a poor example for the fishing public. Last year in Ontario one quarter of all fatal boating accidents happened to fishermen. Most of them occurred when a

fisherman stood up in a small, light boat to cast or land a fish and fell overboard.

From many years of experience, OSL personnel can definitely state that most car top boats become unstable when a person stands up in them or moves about without the balancing support of hands on the gunwales. The moment a man stands up in such a boat it shifts under his weight almost like balancing on a tightrope. Admittedly, with constant use and years of experience a person could become expert at such acrobatics but the average fisherman has not acquired this skill.

The Ontario Safety League claims you can still successfully hook and land a fish while remaining seated - why take a chance of causing a fatal accident.

AN ELECTION? WHO NEEDS IT!

BILL SMILEY

This week I'll deal with several topics, none of them related, but each of them an aspect of the peculiar world we inhabit in 1974.

Why do so many young people want to go into teaching? There's no real future in it financially, very little hope of finding a job after teacher training, and only an infinitesimal hope of becoming important, famous, or even notorious.

Yet the teachers' colleges keep pouring out thousands of eager and talented young people with a flaming desire to be teachers.

We had two openings for English teachers on our staff this year, and received a pile of applications up to your knees. And these aren't duds, who have been weeded out of the profession because of incompetence. They are the cream of the crop, highly qualified, many with some years of experience, some with extra degrees.

There's a certain amount of security in a teaching job, and the holidays are pretty good. But if you want security, go into the bank, and if holidays are your chief concern, go on welfare.

Teaching has its rewards and satisfactions, but it's a wearing, grinding life, phys-

ically and emotionally. I feel sorry for all those excellent young people trying so desperately to get a toe-hold in the profession. I wouldn't suggest to my worst enemy that he (or she) go into teaching.

It would be the equivalent of saying: "Get thee to a nunnery." Strangely enough, I like it. But then, I got into the game back in the days when there was a frantic shortage of teachers, and they were taking any old scruff who could stand up in front of a class.

Now, the election. If those idiots in Ottawa think anyone is happy about it, they're as far out of touch with public opinion as usual.

The Liberals have had two shots at it, and have proved little except that they can't do much about anything. Their policy seems to be to cover the wounds with talcum powder when the patient is bleeding to death.

The Conservatives, in the last eighteen months in opposition, have not exactly set the House on fire, which might be the best and only way they could get the attention of the electorate.

The NDP has had the best of the deal in the last parliament, letting the Liberals pull their chestnuts

out of the fire and squelching any possibility of a Tory blaze by voting with the government. The party has shown more politics than statesmanship, and an almost repulsive enjoyment of power.

This time around we need more than a shrug, a mumble, or a smarmy washing of hands. We need a government with the guts to govern. And the chances of getting it from the talent on display seems minimal.

Personally, I'd vote for Joe Stalin if he could do something about inflation, and I'm sure enough other people would to put him in the P.M.'s chair.

Last week I chanced to look at the price of a small can of bully beef. Seven ounces, 82 cents. This means, roughly, that a pound of that smashed-up mess of meat, gristle, fat, and the odd bit of bone, from third-rate cattle, costs about \$1.85. There is something rotten in the state of Argentina.

I am utterly appalled by our grocery bills, and can't help thinking that there is a grand rip-off in there some where. The farmers aren't getting it, and the chain stores claim they aren't. But someone

is.

My heart bleeds for the large family on a low income. The working man demands higher wages and is not even holding his own when he gets them. We're headed for a depression, chaps. Your dollar of a couple of decades ago is worth fifty cents today, and may be worth forty cents next week.

Now I'll turn my attention to something closer to home. And closer is the word. I can hear my grandbaby from all the way downstairs, bellowing with brazen lungs for his dinner.

He's a bonny baby. In fact, I say without prejudice that he's the handsomest boy baby I've ever laid eyes on. Huge dark eyes, and a grin that would melt a Mother Superior.

But his mother has some odd ideas. She has some good ones, too, like feeding him mother's milk, on which he is waxing into a butter-ball.

However, she wants to bring him up the way the Indians and Eskimaux do. Pick him up when he cries; feed him when he's hungry; play with him when he's bored. Never speak crossly or punish.

He's a "good" baby. Sleeps a lot, chuckles a lot,

kicks a lot, plays with his hands. When his mother is around.

Twice in the last three days, I've offered to babysit, while his Mum went to a show. No problem. Baby sound asleep after a good solid dinner from the twin founts of life. And if he does wake up, ole Granddad can always amuse him with songs and witty sayings.

Thirty minutes after his Mum is out of the house, he wakes up. With bated breath I hear the first bleat. With despair I hear it build to a full-throated bellow that would suggest the imp is being martyred at the stake by the Iroquois.

Pick him up, dandle him, jig him, sing to him, talk my version of Chinese to him, always a great hit when Mum's around. No dice.

He wants grub, and I ain't plumbed right for it. An hour and a half of torture, changing diapers, blowing on his belly, kitching and cooing. Nothing works. His Mum comes home, whips out the equipment and the little devil is asleep in ten minutes, and sleeps all night.

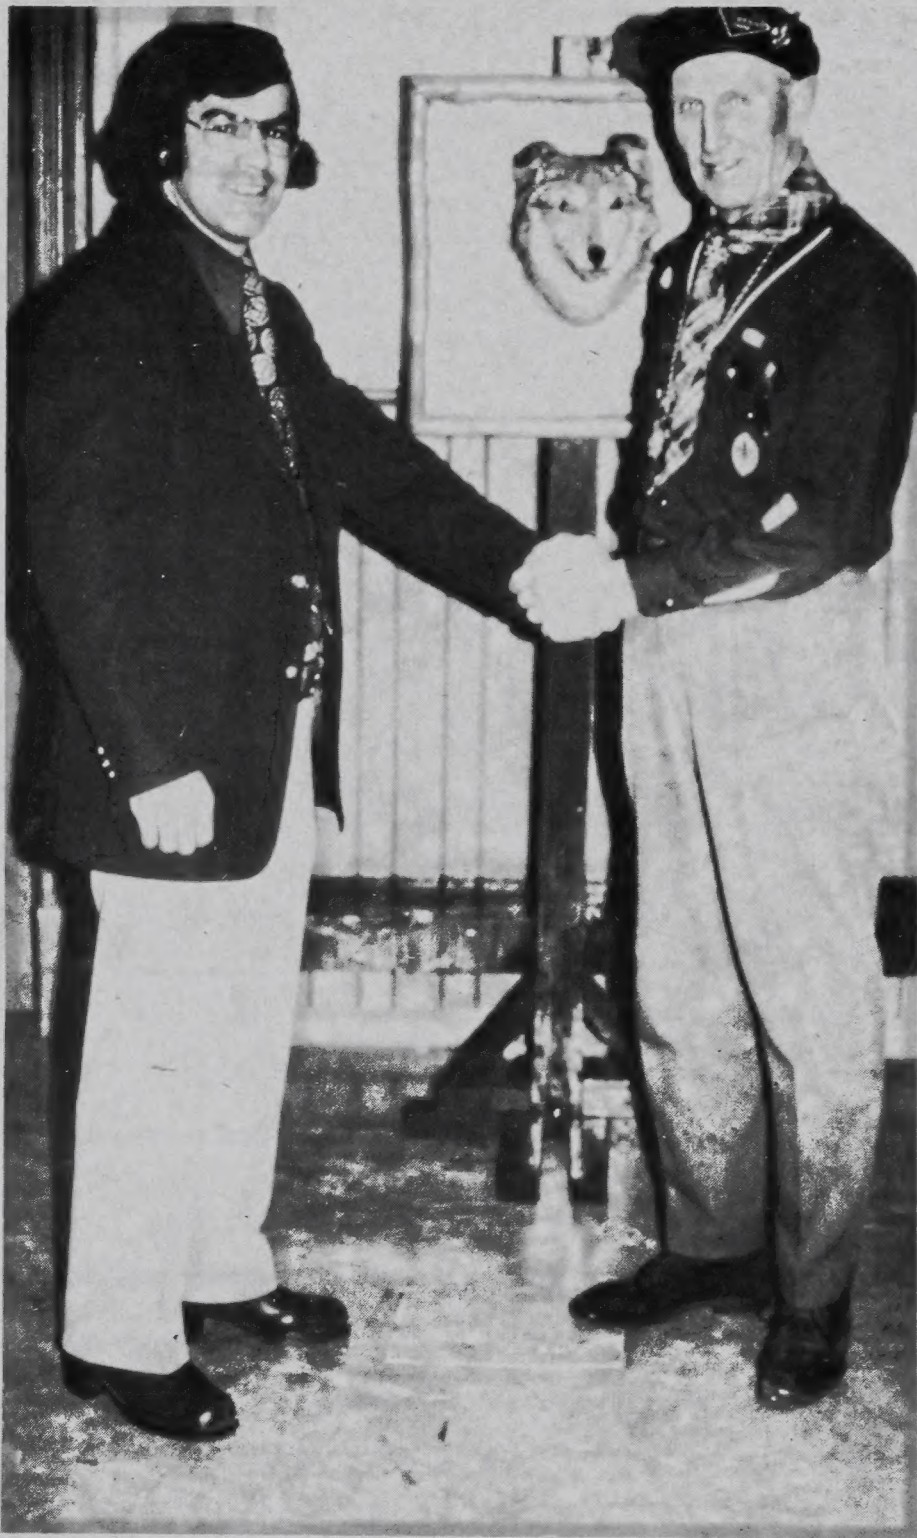

So. Here are my predictions. Another minority government, a major depression, and a spoiled kid.

Cub and Scout Centennial Project

This year as a Centennial Project the Cubs and Scouts of Haliburton have received permission from the Municipality and are currently blazing trails through the Glebe property on the land adjoining the north-west shore of Head Lake. Trails of different lengths

as well as an obstacle course are being planned. It is hoped that a variety of trails will satisfy the needs of hikers of all ages. Some trails should be completed this summer for use by local people as well as vacationers who wish to enjoy our beautiful country and fresh air. Another Centennial project, the Cub and

Scout Family Centennial Night, is to be held on June 10 and the Haliburton Legion commencing at 7:30. This program will consist of demonstration by Cubs and Scouts, skits, projects, and a film on the life of Lord Baden Powell.

Desaulniers-Boutillier Wed

Jean Sandra Boutillier, youngest daughter of Mr. and Mrs. A. E. Boutillier of Odessa, Ontario, and Mr. Yvon Claude Desaulniers, eldest son of Mr. and Mrs. L. Desaulniers, of Ottawa, Ontario, were married on Saturday, April 27, 1974 at 2 p.m. at St. Mary's Cathedral, Kingston, Ontario, by Father McNally.

The bride was attired in a floor length white, silk and lace train from the waist. Her veil was shoulder length with beaded cap and lace trim. She carried red sweetheart roses and white carnations and was given in marriage by her father, Mr. Arthur Boutillier.

The matron-of-honor, Lynne Renaud, from Montreal,

Quebec, wore a pink jersey, floor length dress. The bridesmaids, Ann LeBlond, sister of the bride, and Donna Desaulniers, sister-in-law of the bride, wore yellow jersey similar to that of the matron-of-honor.

Lynne carried pink sweetheart roses with white daisies, while Ann and Donna carried yellow sweetheart roses with white daisies.

The groom's brother Paul Desaulniers was best man. The ushers were Wayne LeBlond, brother-in-law of the bride, and Bob Boutillier, brother of the bride.

The bride's mother wore a long dress of peach pink and wore a corsage of an off-white orchid. The groom's mother wore a floor length pink flowered dress with a corsage of an off-white orchid.

Scriptures were read by Raymond Joyal of Ottawa, who is the uncle of the groom.

The reception was held at Odessa hall and the bride's parent's home.

For travelling through Southern Ontario, the bride wore a navy blue dress with white accessories.

Out of town guests were from Ottawa, Haliburton, London, Toronto, Montreal, Trenton.

The happy couple will be residing in Ottawa.

The bride is the granddaughter of Mr. and Mrs. Allan Botting of Haliburton.

Honor Roll of Ontario Trees

By Ross Beagan

The Ministry of Natural Resources, in co-operation with the Ontario Forestry Association, is soliciting the co-operation of the public in compiling an "Honour Roll of Ontario Trees".

The Honour Roll of Ontario Trees consists of a list of distinguished trees in the Province which have received honoured recognition for one or more of the following characteristics:

GREAT SIZE:

This can be in girth and diameter of the trunk, height, crown spread, or a combination of all four.

GREAT AGE:

Trees of great physical stature are usually of great age. While not so readily determined as size, an effort is being made to determine ages.

HISTORICAL BACKGROUND:

Trees that have authentic connections with historical events such as the meeting places of military staff, a model for a famous painting, trees planted by world figures, etc..

RARE OR UNUSUAL:

Rare trees, that is trees grown far beyond their normal range such as sourwood, persimmon, umbrella magnolia, etc. Unusual is difficult to define but could be described as "a specimen having physical characteristics different

from a normal specimen of that species."

A twisted trunk or branches (Indian Marker Tree), huge leaves, abnormally large fruit or perhaps a tree containing an active nesting site of bald eagles could be entered under the heading.

NORTH NOT REPRESENTED

However, as pointed out by columnist Scott Young in a recent issue of the Toronto Globe and Mail, it is strange to note that practically all record-holding trees in Ontario are situated in south-western Ontario. Mr. Young properly questions why prominently forested areas such as Muskoka, Algonquin Park, Parry Sound, Haliburton, and the Ottawa Valley fail to be mentioned in a single instance. Admittedly, it is tragic that such well known areas have failed to unearth a single record shattering specimen!

To compensate for this oversight, the Algonquin Regional Office in Huntsville, Ontario, confident of producing winning specimens, is spear-heading a campaign to rectify this. These are some of the records that have to be beaten: ABBREVIATIONS: DIAM. - diameter HT. - height C.S. - crown spread NAME OF TREE GIRTH (ft. in.) DIAM. (in.) HT. (ft.) C.S. (ft. LOCATION.

Oak, Red 23' 3" 89 107 77 Niagara-on-the-Lake. This tree is the over-all record holder, all species, both for girth (circumference) and diameter.

Poplar, Cottonwood 16' 8 1/2" 64' 117 96 Burlington. This tree is the over-all record holder, all species, for height.

Elm, White 15' 8" 60 97 112 Dundas. This tree is the over-all record holder, all species, for crown spread. (mas. branch spread).

Records for a host of other species may be checked at an office of the Ministry of Natural Resources. The public is particularly urged to submit entries for these species, never before entered:

Red Pine, Tamarack (Larch), Jackpine, White Spruce, Yellow Birch and Balsam Fir.

Ministry of Natural Resources Offices in the Districts of Parry Sound, Bracebridge, Minden, Ban-

croft, Algonquin Park and Pembroke may be contacted for further information. These offices will also be pleased both to authenticate and submit reports on an record-breaking trees nominated by the public.

No doubt the Ministry will devise some means to bestow appropriate honour upon those interested citizens taking the time to bring similar acclaim to their district.

FROM THE TOWNSHIP OF SNOWDON

On Monday, January 19th, 1863 the Town Council of the Township of Snowdon held their first meeting at the home of Mr. B. Sawyers, Gull River. At that meeting, Mr. Robert Ritchie was appointed Reeve, other members of Council were: Thomas H. Earl, Adam H. Garratt, Henry Phillips and Hiram Wilcox.

The following year the township united with Glamorgan and Monmouth but in 1865 Monmouth withdrew and from that time until the creation of the Provisional County of Haliburton in 1874 the Townships of Snowdon and Glamorgan were united.

At the time of the formation of the new County, the spelling of the name of the Township was changed from Snowden to its present format. Two former Reeves of the Township (Samuel S. Peck 1864-1866) and William C. Scott (1965) were subsequently elected to the Provincial and Federal Governments respectively. In the latter part of the 19th century with the coming of the Victoria Railway, and, following the discovery of iron within the Township, the Irondale, Bancroft and Ottawa Railway, the economic life of the township prospered. The villages of Gelert and Irondale in particular booming during this period. The population also increased and passed the 1,000 mark in the 1890s.

Following the failure of the iron mines and the forest fire of 1913 which laid waste some 40,000 acres within the township, the economy suffered a severe setback, farms were abandoned and by 1921 the population had dwindled to 618.

Unlike most of the townships within the County, the Township of Snowdon is not blessed with an abundance of lakes and has thus not been able to attract much of the cottage trade influx of recent years. The shores of South Lake and the portions of Canning and Salerno Lakes which are within its boundaries have been developed for the benefit of tourist and resident alike.

The Council of the Township of Snowdon congratulates the Provisional County of Haliburton on a century of progress and service.

Robert J. Vick, Reeve.
Gareth K. Kellett, Deputy Reeve.
Mrs. Grace Simmons, Councillor.
Ronald Graham, Councillor.
Gene Newell, Councillor.

Combines hold banquet

The Tuesday night Combines held their bowling banquet in the West Guilford community centre. After a delicious turkey dinner, beautifully served with all the trimmings and a speech by retiring president Alex Stevenson, trophies were awarded to the high bowlers.

High averages; Harry Henderson (207), Pearl Foster (203); High triples, Jack Henderson (794); Eva Piper (726); High single, John Dones (312), Lillian Gorveatt (285).

The team captained by Max Archer took the high trophies for the year.

Jim Foster's team won the Combines cup in the play-offs.

The officers for 1974-75 were then chosen with Ken Piper as president, Don Boland Vice President, Mabel Medcalfe as Treasurer and Annie Jones as secretary; Mr. and Mrs. Bud Medley then presented the Combines with a trophy and sum of money for the best attendance.

The evening ended with cards and dancing everyone enjoyed themselves and would like to again thank the Ladies of West Guilford community centre for the lovely dinner.

Project approved

by R. Glen Hodgson, MPP
Victoria - Haliburton

I am pleased to inform you that the Cabinet has formally approved the purchase of 1 acre of land on the corner of James and Marys Streets in the Town of Lindsay, Ontario for the development of family housing by Ontario Housing Corporation.

The Corporation has commissioned the architectural firm of Abram, Nowski and McLaughlin, of 6 Lansing Square, Willowdale, Ontario to prepare drawings on which a modified tender call will be issued. The design of the project will be submitted to the local council for its approval prior to the call for tenders.

Tenders will be advertised for the Ministry of Community and Social Services on May 29th. for the supply and installation of five 1,000 - gallon holding tanks at the Ontario Leadership Camp, Bark Lake, near Irondale, Ontario. The estimated completion date is July 31st, 1974.

Uncle Dudley's Column

An act of kindness

Now at my advanced age I appreciate a spot to rest if I have been walking any distance.

A few days ago, I was resting in the customers area of the Bank of Montreal at Haliburton, having transacted my business I was waiting the coming of Violet with the car to come home.

I had noticed an elderly lady come in, she was using a cane and was getting along quite well.

After transacting her business and going to the door, one of the young men in the Banks employment came out to the customers area and helped the lady out through the doors, and across the sidewalk and gave aid to getting in the awaiting car. Coming back he gave me a gracious smile and commented on the day which was rather nasty.

My father had an account in the late nineties and early days of this century in the Bank of North America (Fenelon Falls branch). Shortly after this institution was taken over by the Bank of Montreal, some years later we transferred out business under the name of T. H. Rogers and Son to the Haliburton Branch.

Over the years we had reason to use considerable funds furnished by this branch, and our connections have been very cordial. I feel on this Centennial year of our County a short letter of this type might be quite interesting.

I have always a good word to say about our fine young folk, they are the cream of the crop, and I wish them a fine career and a better world to live in than many of we older folk have enjoyed. However, as I look back over my years 88 in June 74 there are few regrets. I accepted life from day to day and trust my contribution has been of some value.

PEACE BE WITH YOU!

Retirement party held

Close to 150 people attended the Banquet for Al Howe retirement party at the Canadian Legion on May 25. This Banquet was sponsored by Natural Resources Personnel, on the committee were Mr. Don White, Mr. Gord Samuels, Mr. Bob Musclow, Mrs. Gay Brown from the Minden Office, and Mr. Harold Bannon and Mr. Gary Lee from the Haliburton office.

Mr. Harold Bannon was master of ceremonies and in his opening remarks gave a run down of Al's employment with the Dept. He then called on Mrs. Gay Brown who presented Al's wife with a bouquet of flowers.

Mr. Gary Lee next presented Al with a purse of money, and Mr. Gord Samuels presented Al with

a purse of money and other gifts. A sing-song of "For he is a jolly good fellow" ended the program.

Tables were moved away and dancing to the Band of Ray Jenkins continued until 1 a.m.

Cancer Campaign Report

A volunteer is sometimes a hard-headed individual who shows a profit in the business of giving and receiving and the volunteer does this by violating every rule in the book of business.

A volunteer gives warmth, spontaneity and love to the wounded who have come up against life's harder corners. It is beyond the power of the latest and most awesome medical machines to produce the miracle that is a volunteer.

A volunteer's love and the devotion it performs must

be given freely. They cannot be purchased. Thus the institution and those it serves are spiritually enriched.

When the day is done, the love, vitality and intelligence which the volunteer has poured out so unstintingly comes back a hundred-fold.

The following is what our volunteers accomplished this year.

Donald, - \$37.00;
Eagle Lake, - \$84.75;
Haliburton area, - \$1191.84;
Haliburton Lake, - \$38.00

Harcourt, - \$115.00;
Locklin, - \$71.27;
Tory Hill, - \$38.81;
West Guilford, - \$145.50;
A donation received earlier in the year, \$150.00;
Total: \$1872.17

The total amount raised last year was \$1609.80.

We wish to thank all our volunteer canvassers who made this campaign so

successful.

Anyone wishing to give "In Memoriam" donations at any time please contact Mrs. Elwood Austin.

Track and Field Report

by cliff burke

Kirk Hewitt led the way with two record breaking performances at this years V.H.A. Track and Field Trials, and as a result the Haliburton Senior Secondary came away with a whopping 247 point victory over the other three schools participating in the trials in Fenelon Falls.

Kirk set his records in the 100 meter hurdles and the Junior long Jump. Sandy Gough also set two records in these trials, although one of them was set in a heat rather than a final. However, the record still stands. Sandy lowered the 100 meter record to 13.9 and raised the high jump standard to 4' 10".

In all, Haliburton students set twelve records. In Midget girls, Alberta Nicholls tossed the discus a record 75' 11". In midget boys, Kirk Coneybeare romped to a 17.8 record in the 100 meter hurdles. In junior girls, Brenda Ripley set a new long jump record of 14' 6 1/2". In junior boys, Doug Priemski tossed the Javelin 125' 10" breaking the old mark by more than five feet.

Marg Darby set a new 100 meter Open hurdles mark of 20.0.

In senior boys, George cooper lowered the 1500 meter mark to 5.46.1. Paul Fleming leaped to a new Triple jump record of 37' 10 1/2".

We asked fishermen what they wanted in an outboard motor.

Here's their answer.

We knew it would take an exceptional new motor to replace our classic 9 1/2 hp Sportwin. So, before we designed our new 9.9, we asked fishermen, both sport and commercial, what changes we should make.

We did what we were told.

We kept all the good features of our old Sportwin. The reliability. The fuel economy. The planing power. The steady power at dead slow trolling speeds. And the 8 quick-tilt positions.

We made the new 9.9 leaner and cleaner, and smaller. And we added a lot more to our 9.9. A new water-cooled mid-section. Evinrude prop-hub exhaust. More precise idle speed control. A new Quick-rise ignition system. And a pre-set shallow water drive.

On top of all this, we

came up with a few neat answers of our own.

We developed an electric start model with the starting motor under the hood where it ought to be. (For remote fishing trips, you just disconnect the battery and you've got a lightweight manual start outboard.)

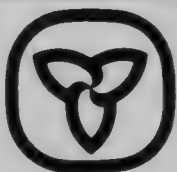

So if you're a fisherman who knows what he wants in an outboard motor, see the new Evinrude 9.9 and also the new 15 hp Fastwin (manual & electric).

See Evinrude's complete fishing fleet — 2, 4, 6, 9.9 & 15 hp at your dealer's now.

Every Evinrude for '74 is designed to conserve energy by recycling unburnt fuel into additional power. And because every Evinrude is drainless, we're keeping our waters clean too!

Your family's health is your most important possession.

This is what Ontario is doing to help you protect it.

Most of us get sick or have an accident at one time or another. And left to our own resources, serious illness could often cripple us financially.

So the government here in Ontario has developed a plan to provide health care for everybody, any time it's needed.

That plan is called Ontario Health Insurance Plan - OHIP. (The "H" stands for "Health," not "Hospital.") The Plan is administered by your Ontario government for us, the people of the province, who pay into it regularly so we can benefit when we need it.

How does the Ontario Health Insurance Plan work? Like this:

First, you apply for coverage - on a "Group" basis where you work, or you can pick up an application form at any bank, hospital, or OHIP district office.

Next, you'll pay modest premiums to

cover yourself and your family towards the time when health care is needed.

People on welfare, students, and others whose incomes fall below a certain level, are eligible for assistance in paying their OHIP premiums. No one is excluded for lack of money, but you must apply for such premium assistance.

Benefits include: physicians' services • standard ward hospital accommodation • X-rays • laboratory tests • drugs required in hospital • operating and delivery rooms • radiotherapy • chiropractic, osteopathic, and chiropric services • eye examinations • occupational therapy • physiotherapy • speech therapy • nursing and medical care in nursing homes and homes for the aged • Home Care service • ambulance • certain dental surgery. Payments may cover costs entirely or only in part, depending on the nature of the claim.

But remember: Membership in the Ontario Health Insurance Plan is not automatic - you have to apply for it. And be sure to carry your identification card or OHIP number at all times.

If you would like more information, visit any OHIP district office. Or write to:

Rally of the United Church Women

The Spring Rally of Region 4 of the Lindsay Presbyterian of the United Church Women was held in Knox United Church, Cobocook.

The meeting was called to order by Mrs. M. Watson, Chairman, with a call to worship and a hymn followed by a warm welcome by Mr. Joblin. Devotions were taken by Mrs. O. Wells of Baddow using the 13th Chap. of Corinthians as the scripture passage. Mrs. J. Wilson delivered the meditation based on Faith, Hope and Charity. She gave an outline of each word ending with Faith, Hope and Love and the greatest of these is Love.

The guest speaker of the day was Mrs. Betty Thompson of Belleville, past Conference Pres. She used as her theme "Go ye into the world and preach the gospel". She mentioned the

prisoners in jail in South Viet Nam with pamphlets displayed for taking home to read. Packets such as Mission Impossible Unless and Experience I. She also displayed a very interesting poster entitled "Mission Endeavours". This outlined many names and addresses for correspondence.

Mrs. Puterbaugh intro-

duced the speaker from Life Line, Lindsay; Mrs. Joy Freeborn. She began by saying how she liked to have an open Bible in front of her and felt that maybe not too many Bibles are open in the homes that she is in contact with in her work. Her Fairy Tale story of a happy couple and their family illustrated their love for each other.

She gave a very fine report of the work of Life Line and a short question and answer period.

Reports were given by the Presbyteria officers and Miss Vina Neal presented the "In Memoriam" Service. A Hymn Sing opened the afternoon session very capably led by Mrs. O. Wells and Mrs. Joyce Bartley, last

years representative to Quin-Mo-Lac, gave an interesting report of the School for Leaders. The offering was received and dedicated by Norland U.C.W.

An invitation by the Burnt River ladies to meet in their church in 1975 was received and the courtesy report read which brought the meeting to a close with benediction.

Minden Women's Institute Meeting

The Minden Women's Institute held its meeting at the home of Mrs. A. S. Kernohan on the evening of May 15. The President Mrs. M. Sears opened the meeting and held a short memorial service in memory of Mrs. D. Prentice. The Roll Call, name a spring flower, was answered by 22 members. An announcement was made regarding the Centennial Ball on June 14

and correspondence was read.

Delegates to attend the District Annual at Fenelon Falls were elected being: Mrs. P. Clarke, Mrs. Vera Cowen, Mrs. L. Cox and Mrs. Sears.

Mrs. W. MacArthur was asked to take over the Current Events Convenorship and Mrs. Allan Taylor was appointed as Card

Convenor.

Places for the meetings for the next year were decided and the executive will meet the evening of June 10th to plan the programmes.

The members were all in favour of placing several books in the Minden Library in memory of Mrs. Prentice.

The meeting was then

closed and an enjoyable time was spent over the teacups.

The June meeting is at the home of Mrs. Wallace Walker June 19th at 2 p.m.

This is our picnic meeting and all members are invited to bring a guest and any interested ladies are invited to attend as we welcome all to come and join our group.

Wild Mustard

a serial by Eileen Caines

Fae, Mabel, and Myra, were great ones for "picture playing". They would cut paper dolls, from old catalogues, and a wardrobe for each of these dolls. Each girl had box after box, of these, and would spread them on the bedroom floor, to play house. It kept them out of Mom's way for hours. This was a blessing, for I can't remember a time we did not have a small baby, in the house.

Mom had a huge cradle that served as playpen and would put the baby in this, out on the wide verandah. We older ones kept a watchful eye on the baby, as we played. This we did not consider work, because we "played house", one of us being "Mother", with a real baby, not just a doll.

On the front lawn, grew a huge old maple tree, and always, from one big limb, hung a swing rope. The branches of this tree, swept up, and over the verandah roof, brushing the upstairs window, of the room Doris and I shared. It was great fun to climb out the window, crawl along the branches, and slide down the swing rope. Knowing we were not supposed to do this, only added to our enjoyment of the danger, and risk of being found out.

We made our own fun, climbing the logs, on the inside of the barn, and jumping down into the mounds of sweet smelling hay. Building a "tree house" in the apple orchard. Walking in the woods, gathering wild flowers.

Catching "chub-fish, spear- ing suckers in the spring. Swimming in what we called the crawdad hole. It would take a large book to relate all the things there are for kids to do in the country, summer or winter.

One playmate, James Orr, trained his dog to pull him on skis, Jim holding reins, like with a horse. The dog would take him over the snow so fast, all you could see was a streak, going by.

At Jim's place, was a high, sloping hill, a wonderful place for skiing in winter. At the bottom of the hill, we would build the snow high, to make a "jump." Coming down the hill on skis, we would sail off into space, over the jump, for what seemed to us then, miles and miles. Pity the poor kid who fell too many times, doing this, the rest of us teased him unmercifully.

Grandfather Howe (mom's father), had a cottage on Drag Lake. In summer we children spent a lot of happy hours here. Grandpa was a man never happier than when surrounded with children. He always had time to take us fishing, build a campfire, where he would cook the fish outdoors.

There is a rise of rock near where his cabin stood, which rises one hundred feet from the water's edge. The face of the rock is pink in colour, and is named "red rock". We had a well worn trail, leading from grandpa's cabin to the top of this rock.

Blueberries grew in abundance, in the rocky soil here.

Many are the blueberry pies, grandpa baked for us, in his little wood burning cookstove. Many are the stories he would tell in the evening, sitting around the brightly burning campfire. Stories of his life as a "river jack", when logs were floated down lakes and streams, to the mills. These logs were driven by men balancing on floating logs in the water. A dangerous journey. Grandpa had a good singing voice, and many are the songs that rose on the clear night air, accompanied by a guitar, held in childish hands. Songs of real life, in the bush, or on the river. Songs that sometimes brought tears to the listeners eye.

***** We exchange one farm for another.

Farming in those days may have put food on our table, and even a little cash in Dad's pocket. However, raising eight children takes more than a little cash, so Dad also did some lumbering. He cut timber on his own farm, and also in the bush for a lumbering company.

For a long time he had wanted to buy property near Drag Lake. Russell Hutchings had a lumber mill at Ritchie's Lake, not far away. Dad knew if he attained the property he wanted, he would have trees to cut, and logs to sell.

One day he announced "Well Mellie, how would you like a new house? We can get the property down on the flats now, for the price I

wish to pay." Although this had been talked about, and thought of often, now that the time "to do", was here, suddenly it all seemed different.

Leave the place we had lived all our lives? Everyday things took on new interest, we saw things with deeper meaning, and clarity. Still, it would be exciting to move to a different place. A new house, and the lake so near.*****

What really decided us, was the fact that Dad would be able to stay at home, and work on his own land. Staying where we were, might mean he would have to be away through the week. To work at home, and still gain financially, was worth the move.

Late that fall, the new house being nearly completed, and the barns up, we began the moving. Trip after trip, by car, and larger items by truck and wagon. The animals too, had to be moved and established in new quarters. These were not so many now, as Dad did not plan on full time farming, and kept only those needed for our own use.

From the time we moved to our new place, consisting of one hundred, fifty acres, we called it the "Ponderosa," or "The Homestead". This was far ahead of Lorne Green's television series, or television, for that matter. The house is large, with a big kitchen, dining room, living room, and two bedrooms downstairs. Upstairs, there are four bedrooms.

School now meant a two mile walk, "across country". In winter we went by ski, or snowshoe. It also meant leaving a lot earlier in the morning, and later getting home in the afternoon. There were five of us going to school then, Jack and Carol not old enough, and Roy was born two years after we moved to the new place.

The "Ponderosa", is situated about half way between Drag Lake, and Ritchie's Lake. On Drag Lake is Haliburton Lodge, a large lodge built entirely of logs. As are the numerous smaller cabins. Dr. L. H. Carroll was the first man to own this lodge, and it was for him, dad and Grandfather Howe built it. The logs in this lodge, came from Dad's property, cut in the bush, peeled, and drawn by horse to the building site.

It is a beautiful place, and a great testimony of the ability of father and grandfather, in erecting it.

Grandma and Grandpa Roberts had retired some years before, and now lived

in town. This was nice for me, when the time came to write exams for entering high school, because I could stay at their house. This was a strange experience, writing exams day after day, for a week, in a strange school, strange teacher, and classmates. However they were soon over, and it was nice to know the first two years of high school could be attended in the same old "home school."

The happy years flew past, and soon Doris and I were young women. The "boyfriends" made their appearance, and Dad would say, "Guess I'll have to get the shot gun out, or buy a cross dog".

As I said at the beginning of this narrative, none of us live on the farm now. The Ponderosa is still in the family, and on summer days, when we go back for holidays, the old house rings again with childish laughter. Laughter from our own respective families. And we say again.

Father, thank God, was a farmer.

Meeting of the Council of Anson, Hindon & Minden

The Ninth Meeting of the Council of the Townships of Anson, Hindon and Minden was held in the Council Chambers Municipal Building on Wednesday, May 8th, 1974 commencing at 9:00 A.M.

Reeve Reg Booth in the Chair.

Deputy Reeve Douglas Pritchard Councillors S. Brandon, A. Coneybeare, R. Gorrie Richard Parisotto, Clerk-Administrator J. Earl Hewitt, Road Superintendent Richard C. Schell, By-Law Officer.

74-111 D. Pritchard-A. Coneybeare: That the minutes of the meeting of April 24, 1974 be approved. Carried.

Mr. Jack Johnson was present regarding brush and other dead wood on the property adjacent to his home on North Water Street. The Council agreed to contact the owner concerning removal of the hazard. The condition of the road allowance work done last year in that area was introduced and the Road Superintendent was directed to clear up the matter as

soon as practicable.

Mr. Bruce Nesbitt was present requesting permission to improve passage on the road allowance adjacent to his property.

R. Gorrie-S. Brandon: That Mr. Bruce Nesbitt be granted permission to perform certain improvements on the concession road allowance between Lots 15 & 16, Concession 5, Township of Minden to provide better access to his back fields. Further it is understood that the Municipality will not be requested to petition the Ministry of T & C to assume this road into the municipal road system for subsidy. Carried.

Messrs. Dave and Andy Stevens were present regarding a building permit to replace storage sheds lost by fire. The Building Inspector upon visiting the site and discussing the proposal, advised Council that the proposed shed would not contravene the By-law and a permit will be issued.

Letter was received from Mr. H. Burgess and Mr. W. Reynolds requesting dead end sign on the new Canning

Lake Road. The Road Superintendent will add this sign to the order already prepared.

R. Gorrie-A. Coneybeare: That S. Brandon be appointed to represent the Municipality at the Annual Meeting of The Chamber of Commerce. Carried.

Letter was received from K. Craig Kellett regarding the agreement made with the Municipality regarding a proposed severance in Lot 21, Concession 2, Minden Township. The Clerk was directed to advise the County of the fulfilled agreement.

D. Pritchard-S. Brandon: That permission be granted to the Ontario White Water Affiliation to use Rotary Park for camping facilities for the Qualification Races to be held on May 18th, 19th and 20th, 1974. Carried.

Petition was received from property owners in Minden Township North, requesting fire agreement with Stanhope Township. The proposed agreement

Mr. Barry Cook

Best Wishes and much success in your new venture
from Mrs. Ruth Sawyer.

THE EXPROPRIATIONS ACT NOTICE OF APPLICATION FOR APPROVAL TO EXPROPRIATE LAND

IN THE MATTER OF an application by the Corporation of the Provisional County of Haliburton for approval to expropriate land;

Being Parts of Lot 24, Concession 12, Registered Plan #498 in the Township of Harcourt, in the County of Haliburton, District #19.

FOR THE PURPOSE OF the reconstruction of County Road #10

Notice is hereby given that the application has been made for approval to expropriate the land described as follows: Parts 7, 8, 10 and 12, as shown on Registered Plan #19R498 deposited the 15th day of May, 1974, in the Land Registrar Office for the Registry Division of Haliburton (No. 19).

Any owner of lands in respect of which notice is given who desires an inquiry into whether the taking of such land is fair, sound and reasonably necessary in the achievement of the objectives of the expropriating authority shall so notify the approving authority in writing.

(a) in the case of a registered owner, served personally or by registered mail within thirty days after he is served with the notice, or, when he is served by publication, within thirty days after the first publication of the notice;

(b) in the case of an owner who is not a registered owner, within thirty days after the first publication of the notice.

The approving authority is
The Corporation of the Provisional County of Haliburton, Minden, Ontario.

The Expropriating Authority is;

The Corporation of the
Provisional County of Haliburton
D. Jack Cox, County Engineer

NOTES:

1. The Expropriations Act provides that,
(a) Where an inquiry is requested, it shall be conducted by an inquiry Officer appointed by the Minister of Justice and Attorney General;

(b) the Inquiry Officer,

(i) Shall give every party to the inquiry an opportunity to present evidence and argument and to examine and cross-examine witnesses, either personally or by his counsel or agent, and

(ii) may recommend to the approving authority that a party to the inquiry be paid a fixed amount for his costs of the inquiry not to exceed \$200 and the approving authority may in its discretion order the expropriating authority to pay such costs forthwith.

2. "Owner" and "Registered Owner" are defined in the Act as follows: "owner" includes a mortgagee, tenant, execution creditor, a person entitled to a limited estate or interest in land, a committee of the estate of a mentally incompetent person or of a person incapable of managing his affairs, and a guardian, executor, administrator or trustee in whom land is vested;

"registered owner" means an owner of land whose interest in the land is defined and whose name is specified in an instrument in the proper registry, land titles or sheriff's office, and includes a person shown as a tenant of land on the last revised assessment roll;

3. The expropriating authority, each owner who notifies the approving authority that he desires a hearing in respect of the lands intended to be expropriated and any owner added as a party by the inquiry officer are parties to the inquiry.

This Notice first published on the 30th day of May, 1974.

Meeting of the Council of Anson, Hindon & Minden

The Tenth Meeting of the Council of the Townships of Anson, Hindon and Minden was held in the Council Chambers Municipal Building on Wednesday, May 22, 1974 commencing at 9:00 A.M.

Reeve Reg Booth in the Chair.

Deputy Reeve Douglas Pritchard Councillors S. Brandon, R. Gorrie Richard Parisotto, Clerk-Administrator J. Earl Hewitt, Road Superintendent Richard C. Schell, By-law Officer

D. Pritchard - R. Gorrie: That the minutes of the meeting of May 8, 1974 be approved. Carried.

Letter was received from Mrs. Eleanor Gilligan requesting speed limit signs on Scotch Line Road. The present speed through the Municipality is 50 miles per hour by provincial law unless otherwise posted and 30 m.p.h. limits would not be allowed by the Ministry of Transportation and Communications. Mrs. Gilligan to be so advised.

Letter was received from Harries, Houser, Brown and McCallum solicitors regarding conveyance to the Municipality of title to a roadway constructed, being part of the 12 Mile Lake Road.

R. Gorrie - S. Brandon: That legal counsel for the Municipality be requested to bring about an application for a Judge's order requiring a conveyance pursuant to the agreement between the Municipality and E. & E. Crawford relative to the construction of a new roadway. Carried.

Letter was received from Arthur and Ada Pilcher requesting re-zoning of their property in Lot 11, Concession 8, Minden Township to accommodate housekeeping cottages. Council felt the re-zoning would not be desirable and directed that

the applicants be advised of the opposition of surrounding property owners.

Letter was received from Mr. H. C. Bishop, O.L.S. regarding severances proposed in Lot 12, Concession 4, Anson Township. A plan of subdivision is to be introduced.

Letter was received from Mr. Douglas K. Elstone requesting building permit for sleeping cabin contrary to the regulation of By-law 14-67. Applicant to be advised Municipality could not issue the permit under the circumstances.

D. Pritchard - R. Gorrie: That Resolution #73-106 permitting the sale of top soil and fill from Municipal pits be rescinded effective May 31st and that the materials be used solely for Municipal purposes. Carried.

R. Gorrie - S. Brandon: application be made to the Ministry of Transportation

and Communications for the painting of traffic lines. Carried.

R. Gorrie - D. Pritchard: That the Fire Department be requested to hose down the streets at the earliest date. Carried.

S. Brandon - R. Gorrie: Notwithstanding by-law 14-67 as amended, it shall be understood that all original surveyed Township lots of 100 acres more or less shall be considered a separate registered lot and any application for splitting two full Township lots shall be automatically approved by the Municipality. Carried.

R. Gorrie - D. Pritchard: That By-law #74-19 having been read a first time, be considered as read a second and third time and passed. Being a by-law to levy and collect the rates of taxation for the year 1974. Carried.

R. Gorrie - S. Brandon: That we do now adjourn. Time: 12:35 P.M. Carried.

Gems of Truth

FROM OLIVET TO OLIVET

Ever since the feet of the Lord Jesus stood on the Mount of Olives for the last time as He returned back to Heaven from whence He had come, there has been keen interest in this hill by all who take God at His word and respect His truth. For it is upon this same Mount of Olives that the prophets of the Old Testament say that the feet of Jesus will stand again when He returns to earth the second time and establishes the long promised Kingdom of righteousness.

In the intervening period of time, the Lord Jesus has been calling unto Himself a people from out of the vast stream of humanity which is known to Him as the Church. Not until Jesus returns in person to Mount Olivet will this period of time (known as the Church-age) be fully complete. Then, and then only, will the Kingdom Age appear and the returned King come again personally to fulfill all that God has spoken of that day. Zechariah 14:1-5.

The Ascension of the Lord Jesus took place from the very same hill of which the prophet speaks concerning His return. Doctor Luke gives us the details of the departure in Luke 24:50-51, Acts 1:9-11. He speaks of Him as having "been carried away" and "taken up" and then pointedly emphasizes that it is "this same Jesus" which shall so come in like manner as you have seen Him go into Heaven. Verse 11.

The unbelieving never saw Jesus in His resurrection body, only His true followers, and these alone saw His ascension. It is also such that look for the fulfillment of the promise of His personal return and subsequent kingdom blessings which follow.

SCRIPTURE MEDITATION:

"For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with Him." 1 Thess. 4:14.

Birth

BILLINGS - Dennis and Wendy (nee Nesbitt) are happy to announce the safe arrival of their son, Jason Allan Leroy, on May 4, 1974 at Ross Memorial Hospital, Lindsay, Ontario.

SAVAGE - Lieut. and Mrs. William Savage thank God for the safe arrival of their first child, Stephan Scott, 9 lb. 3 oz., on May 23, 1974 at St. Michael's Hospital, Toronto.

Marriage

Mr. and Mrs. William J. Sims of Haliburton, Ontario, are happy to announce the marriage of their daughter Lorraine Marie to Bryan James McKay, son of Mr. and Mrs. James S. McKay of Thunder Bay, Ontario. Marriage to take place at 4:00 p.m. on Saturday, June 1, 1974 at Haliburton United Church. Dance at 9:00 p.m. at Royal Canadian Legion, Haliburton. All friends and relatives welcome.

In Memoriam

FADER - In loving memory of a dear husband and father, Verle, who passed away May 29, 1968. Sweetly tender, fond and true, There is not a day dear Verle, That we do not think of you. Sadly missed and always remembered by wife Winnie and daughter Sheila.

In Memoriam

MAUGHAN - In loving memory of a dear Father, William, who passed away May 29, 1972. We think of you in silence, We often speak your name. But all we have is memories And your photo in a frame. Our hearts still ache in sadness, Our silent tears still flow; For what it meant to lose you, No one will ever know. Sadly missed by Daughter Margaret and son-in-law Walker.

SAWYER - In loving memory of our dear mother and grandmother, Ida Rosetta, who passed away May 29, 1973.

There is a family who misses you And finds the time long since you went. We think of you daily and hourly But try to be brave and content. Tears that we shed are in silence, And we breathe a sigh of regret For you were ours, and we remember Though all the world forgets. Deeply missed and lovingly remembered by son Fred, daughter-in-law Gloria, and grandchildren Jimmy and Debbie.

Thank-You

I wish to thank the doctors and nurses for being so kind to me while a patient in Minden Red Cross Hospital. Also thanks for the cards, treats, and a special thanks to those who brought my wife to see me. God bless you all. John Kernohan Sr.

We would like to express our sincere thanks to our many friends, relatives, the teachers and pupils of Grade 8, for their prayers, gifts, cards, and telephone calls while Pam was in the hospital and since she came home. Special thanks to Mrs. Taliman and Drs. Chapman, Good and MacLean. Ray and Mae Cooper.

We want to express our thanks to friends, relatives and neighbours for their floral tributes, cards and donations during our recent bereavement of our Mother and Grandmother, Laura Pauline Breckon. Jane and Bill Rinne.

I would like to thank Dr. Good, Dr. Lewis, Dr. Baker, the nurses and staff of Civic Hospital, Peterborough, for all their help and kindness after I had surgery. Helen Cox, Minden.

Missed mentioning that Mrs. Jim Hatkoski was on the tour of Italy with her parents Mr. and Mrs. Joe Dollo.

It was reported to me the sighting of yet another UFO, this time by Cassie Legge and Rene Burns who watched last Sunday morning about 2:30 until daylight. This UFO coasted high over Gull Lake.

Weekend guests with Mr. and Mrs. M. Sears were Muriel Ewing, Chris and Scott, Ron Joyce, Glen Sears, Lousie and Bernice all of Toronto.

If the Kinsmen Fest was a busy one with everyone having a good time, then the dance Sunday night was extremely so, as we heard there were about 1,000 persons at this.

Several members of the Women's Institute attended Victoria East District Annual at Fenelon Falls United Church last Thursday. The ladies included Mrs. L. Cox, Mrs. Vera Cowen, Mrs. Alice Todd, Mrs. P. Clarke, Mrs. W. Walker and Mrs. M. Sears.

Dorothy McElwain and Helen Pascoe were the lucky winners of \$100 on the Bingo at IGA last week.

The Hockey Banquet at the Recreation Centre last week had about 200 present; awards were made by Roger Neilsen and two defencemen of the Peterborough Petes who showed slides of their trip to Russia.

Belated good wishes to these residents of Hyland Crest Home who celebrated birthdays in May; Irene Stewart, Marjorie Kanally, Cephas Payne and Ralph Gibson.

There was a large crowd from all parts of our area at Haliburton County's Centennial Day at Ontario Place. The buses were all comfortable and the drivers very capable and friendly. Noticed that the Bands and Choirs and singers from here were well received. The highlights from the High School Musical were excellent. Other visitors at the Forum stopped to listen and stayed on in spite of the chilly breeze. We wondered how some of the barefoot actors and actresses kept warm. Our Legion Pipe Band played at various times and paraded the ground at other times—they must have been tired at the end. Item of note was the group of square dancers from Cardiff who did sets at various times to the music of the Highlanders. We didn't know there was so much talent in our County to carry through a programme from 12:30-9:30 at night. We appreciate all the effort and work done by the Committees and are sure everyone thanks them, one and all.

Persons in out-of-town hospitals include Shirley and Grant Hewitt, Art Young, Mrs. D. G. Blakey, Bob McElwain and A. R. Huntingdon all at Toronto General.

Mr. and Mrs. Walter Noice and Mrs. Norm Craig visited Miss Ida Noice at Sunnybrook Hospital on Sunday. This was a special occasion as it was Mrs. Noice's birthday. Miss Noice celebrated her 92nd birthday enjoying birthday cakes. Miss Noice wishes to be remembered to all her friends in this area.

Mr. and Mrs. Eldon Deacon are away on a trip to Dartmouth N. S. to visit their daughter and her husband.
